

Crete Shield

Crete Shield was designed to be a eco-friendly clear concrete and stone sealer allowing your concrete and stones natural beauty to shine through while protecting it from the elements. Wind, sun and rain cannot break the barrier of Crete Shield's protection.

Crete Shield is the perfect choice for an all natural sealer.

Crete Shield is the most all natural product on the market today for protecting all types of concrete and stone from the harsh damages of the sun and rain. Crete Shield penetrates deep into concrete and stone bonding with the pores to create a solid barrier against moisture. You get unrivaled protection while still being able to enjoy your concrete and stones natural beauty.
